

# **AMENITIES –**

## **TENNIS, BASKETBALL, & VOLLEYBALL COURTS**

Revised in 2022

The basketball, tennis/pickleball and volleyball courts are for use by Palomar residents and their guests. Homeowners wishing to use any of the above-mentioned applicable areas must purchase an access device at the clubhouse for entry. Clubhouse office hours are 9:00 AM to 5:00 PM Monday through Friday.

Tennis/pickleball and basketball courts must be kept locked, even when in use and are available on a first-come, first-served basis. Anyone who is authorized to use the courts will have access and no one should be let inside court area by residents already playing there. Keeping the gates secure helps to prevent vandalism and curbs unauthorized use by non-residents.

The association periodically resurfaces the tennis/pickleball courts so please help keep them in good condition by observing the following rule:

***No wheels of any type are permitted on the court. This includes strollers, skateboards, roller-skates, inline skates, bicycles, tricycles, scooters, toddler toys etc.***

The association provides a net at the volleyball pit during warm months for residents wishing to play volleyball.
