Palomar Hills wishes to provide a comfortable, fun, friendly community pool, where members come together to relax and enjoy the facilities. It is for these reasons we ask everyone to abide by the rules listed above. Everyone's safety and enjoyment is foremost in our minds.

Each household is assigned a numerical code. All members (and their guests) are required to check in with a pool staff member when entering the pool facilities. Your identification number must be entered at this time.

Each household is assigned 10 free individual guest visits. Residents may bring a maximum of 2 guests per visit. Use of the pools is a privilege extended to Palomar Hills' homeowners whose annual fees are current and paid in full.

If you are a new resident or do not have a pool pass code, please stop by the clubhouse during regular business hours to get registered.

Palomar Hills Community Association members need to be in good standing with HOA fees in order to use pool facilities.

The Association may limit the use of pool guest passes on holidays and impose other restrictions as needed.

Full-time, non-dependent residents (e.g., adult child living in the home) may be considered for a pool pass. Renters may qualify for this consideration provided they are renting with the proper approval of the board of directors.

Special passes may be purchased by calling the office at (859) 223-3740
